July 2012

Page 2 of 3

State Committee Participation

ITEC: (Executive council comprised of private and public representatives charged with the adoption of IT policies for the state enterprise (All Branches))

- Did not meet. Governor has not made appointments to Council.

ITAB: (State IT representatives who meet monthly to discuss ongoing upcoming and current status of issues facing the state IT enterprise.)

- Did not meet.

Information Technology Security Council (State agency representatives who provide oversight and policy recommendation to ITEC regarding IT security issues for the state)

- Did not meet

Information Technology Identity Management Group (Public Key Infrastructure (PKI))

(State representatives across the enterprise who provide oversight for the digital signature initiative)

- Met June 8th.
- Provided financial report to group
- Status meeting of current issues, entities currently involved in PKI.

INK Initiatives:

INK Finance Committee

- Will meet July 30, 2012 to discuss quarterly financial reports.
- Will report to the board at the August meeting.

INK 2011 Financial Audit

- Auditors waiting on a few confirmations to be received
- Draft report delivered with no issues reported
- Presentation scheduled for the August board meeting.

INK Data Center Move

This initiative is to move the current data center information to data center in Virginia with redundant services residing in Texas

- Migration schedule currently includes ongoing migration of applications, with agency approval thru August. Proposed migration includes a weekend of downtime to complete the migration the third weekend of August.
- All applications currently residing in the Virginia facility are being backed up on the Avamar environment in the OITS datacenter.
- Conference call performed with OITS technicians to resolve error messages being received from the Avamar node.

Application Analysis on the INK Avamar Server

- Non-disclosure agreement developed for issuance to all vendors involved in analysis. Working with KIC to finalize.
